

Self-declaration of DRC conflict free

We, Compro Electronic GmbH, guarantee that we do not use any "Conflict Minerals" as indicated in "Dodd-Frank Wall Street Reform and Consumer Protection Act" and all our columbite come from DRC conflict free channels/suppliers.

We will also monitor our next tier suppliers to follow the DRC conflict free policy.

We understand EICC/GeSI offered a sample DRC conflict free smelters list which will be updated constantly and we hereby guarantee that will follow EICC/GeSI's suggestions and purchase minerals only from DRC conflict free channels/suppliers.

We report Conflict-Free Smelter (CFS) refers to the template on the web site of <http://www.conflictreesmelter.org/>

Mit freundlichem Gruß
With best regards
